Good Samaritan—Thanksgiving for Families

With the help of our community, Good Samaritans will provide 500 Thanksgiving dinners to families in need in Garland and Garland ISD.

How to Participate: Designate how many Thanksgiving bags you or your community will provide. We ask that the bags be reusable. If you'd like, Good Sam will supply the bags with the list of needed items stapled to it. Besides being environmentally smart, reusable bags are used by our families for transporting bakery, produce, and dry goods from Good Sam. Good Sam continues to experience growth in the number of families needing food assistance. Being locally-founded and locally-based, it is with the support and partnership of our community that we are 'people helping people'!
